

## ARCHITECTURAL DESIGN INTERN - LITTLE ROCK STUDIO

WER Architects is seeking forward-thinking, energetic designers to join our architectural studio in Little Rock. Ideal applicants will exhibit a commitment to excellence in architectural design, have a positive approach, and be a great collaborator. Applicants are not expected to know everything but should want to passionately pursue answers, develop new skills, and deepen their knowledge of the profession in a positive team culture.

### Required Qualifications

- Professional Degree in Architecture
- Passionate about good design in everything you do
- Revit modeling and drafting
- Digital Graphic skills such as SketchUp and Lumion
- Excellent oral, written and graphic communication skills
- Interest in sustainable design and the craft of construction and contextual design
- Motivated and able to work collaboratively with teams in an open design studio environment

### Application
